MEMO

To: Kentucky Licensees
From: Jeff Boler, Board Administrator
Date: June 6, 2007
Re: Verification of Licensure to other states

Licensure verifications or letters of good standing for Occupational Therapists, or Occupational Therapy Assistants may be obtained by submitting a written request along with a check made payable to the Kentucky State Treasurer in the amount of fifteen dollars (\$15.00) to the address above. Only a personal check, cashier's check, or money order will be accepted for payment. Please do not send cash.

If the state in which you are attempting to gain licensure requires that a specific form be submitted, please attach this to your request. Please note that requests submitted via email or fax will not be accepted.
